Intro: [D] [A7] [D]

[D] Hear the lonesome whip-poor-will

He sounds too blue to fly

The [G] midnight train is [D] whining low

[D] I'm so lonesome [A7] I could [D] cry

[D] I've never seen a night so long

When time goes crawling by

The [G] moon just went be[D]hind a cloud

[D] To hide its [A7] face and [D] cry

Solo [D] [G] [D] [A7] [D]

[D] Did you ever see a robin weep

When leaves begin to die

That [G] means he's lost the [D] will to live

[D] I'm so lonesome [A7] I could [D] cry

[D] The silence of a falling star

Lights up the purple sky

And [G] as I wonder [D] where you are

[D] I'm so lonesome [A7] I could [D] cry
