

Wynken, Blynken, And Nod-crd  
by Donovan

Dm G Am G  
 Wynken, Blynken, and Nod one night, sailed off in a wooden shoe,  
 C Am Dm G  
 They sailed down a river of crystal light into a sea of dew.  
 Dm G Am G  
 "Now where are you going and what do you wish?" the old moon asked the  
 three.

C Am Dm G  
 "We're going out fishing for the herring fish that live in the beautiful  
 sea,  
 F G Dm G  
 And such silver and gold have we," said Wynken, Blynken, and Nod.

Dm G Am G  
 So the old moon laughed and sang a song as they rocked in their wooden shoe,  
 C Am Dm G  
 And the breeze that sped them all night long ruffled the waves of dew.  
 Dm G Am

G  
 Now the stars in the sky were the herring fish that live in the beautiful  
 sea  
 C Am Dm G  
 Come cast your nets wherever you wish, never a-feared are we.  
 F G Dm G  
 So sang the stars to the fishermen three, Wynken, Blynken, and Nod.

Dm G Am G  
 So all night long their nets they threw to the stars in the twinklin' foam  
 C Am Dm G  
 Then down from the sky came the wooden shoe a-bringin' the fishermen home.  
 Dm G Am G  
 'Twas all so beautiful a sight it seemed as if it could not be.  
 C Am Dm

G  
 And some folks thought it was a dream they dreamed while sailin' the  
 beautiful sea  
 F G Dm G  
 But I shall name you the fishermen three, Wynken, Blynken, and Nod.

Dm G Am G  
 Now Wynken and Blynken are two little eyes and Nod is a little head.  
 C Am Dm G  
 And the breeze that sped them all night long is a wee one's trundle bed.  
 Dm G Am G  
 So close your eyes as mother sings of the beautiful sights that be,  
 C Am Dm G  
 And you shall see such wondrous things as you rock in your misty sea.  
 F G Dm G  
 So sang the stars to the fishermen three, Wynken, Blynken, and Nod.
