 (strum) (strum) (strum) (strum)

Well, you done done me, and you bet I felt it. I tried to be chill, but you're so hot that I melted

I fell right through the cracks, and now I'm trying to get ba - a - ack

Before the cool done run out, I'll be giving it my bestest. Nothing's going to stop me but divine intervention

I reckon it's again my turn... to win some or learn some

I won't hes - i - tate no more, no more. It can - not wait, I'm yours

Well, open up your mind... and see like me. Open up your plans,

and damn you're free. Look into your heart, and you'll find love, love, love, love

Listen to the music of the moment people dance and sing, we're just one big family

and it's our God-forsaken right to be loved loved loved loved loved (2... 3... 4...)

I won't hesitate no more, no more. It can - not wait, I'm sure

No need to comp - li - cate, our time is short. This is our fate, I'm yours

I've been spending way too long checking my tongue in the mirror, and bending over backwards just to try to see it clearer

But my breath fogged up the glass, so I drew a new face and I laughed

I guess what I'll be saying is there ain't no better reason to rid yourself of vanities and just go with the season

It's what we aim to do, our name is our vir - tue

But I won't hes - i - tate no more, no more. It cannot wait, I'm yours

Well, open up your mind, and see like me. Open up your plans and damn you're free.

Look into your heart, and you'll find that the sky is yours

No need to comp - li - cate, our time is short. This is our fate, I'm yours
